Verse I

Am Em
It never rains in outer space
F G
The winds won't bring you scents of summer
Am Em
You cannot tell a night from day
F G Am
You cannot tell one from the other

Verse II

Am Em
The outer space is cold and dark
F G Am
It has no borders and no structure
Am Em
The outer space is like my soul
F G Am
It's hollowed out forever after

Chorus

Am G
The sun won't shine in outer space
Em F G
The sun won't give you endless powers
Am G
The sun won't heat your frozen heart
Em F G Am
It just keeps raining solar showers

Verse III

Am Em
Outside of time is where I roamed
F G
In search of world it's birth I'd accoucheur
Am Em
I tried to find my way back home
F G
And to create a better future

Verse IV

Am Em
Outside of time is where I went
F G Am
In search for home to find a shelter
Am Em
But all I found was endless void
F G
Infinity of cold and darkness
